

The PTS Today

Today, our world is very different from that of 1889. Political, social, and technological change is continual, but the needs of people's hearts are still the same, and the gospel of Jesus Christ is still the only hope for a weary, sin-sick world.

Roman Catholicism is still at variance with the gospel, but so are liberalism, humanism, Islam, and countless other philosophies and ideologies which enslave the hearts and minds of men and women. By proclaiming the truth in love we earnestly contend for the faith.

Protestant Truth Society

'Standing for **Biblical Truth**
in all its glory and against
error in all its forms'

The Protestant Truth Society was founded by John Kensit back in 1889, to take a stand against the growing influence of Romanism within church and nation.

Our nation has changed but the need to uphold the truth as it is in Jesus Christ alone remains.

Our Work

The Wickcliffe Preachers

Proclaiming the glorious gospel of God's grace in Jesus Christ is at the heart of what we do. Our nation that has known such a rich spiritual heritage is now a pluralistic society that to a large extent denies and opposes the gospel, and even in many of the pulpits of our land the gospel is compromised. Into the ripened harvest fields of our nation we seek to send out men of uncompromising conviction to uphold and proclaim 'the faith which was once for all delivered to the saints' (Jude 1:3). Pray for our Wickcliffe preachers as they travel throughout the land making Christ, the only Saviour of sinners, known to people of every colour, creed, and culture.

The Bookshop

An evangelical bookshop and witness to the Gospel right in the heart of London. Weekly prayer and Bible studies are held here at lunch time every Tuesday.

The Magazine

We produce a magazine every other month with lively and topical articles relating to doctrine, church, and state.

Lobbying Government/Influencing media

We live in a day and generation when our nation is in a state of spiritual and moral declension. The Protestant Truth Society seeks to play its part in this spiritual and moral battle by lobbying Government and influencing Media in speaking out against this declension, and by upholding the timeless and biblical truths that shaped our nation in the past. We are but a small division in a worldwide army but we seek to unite and encourage all Bible believing Christians in their stand for the truth of God. It is a fight that demands watchfulness and requires us to let our light shine before men so that they may glorify God (Matt. 5:16).

Time Travellers' Club

The Time Travellers' Club publishes instructive and engaging booklets for children on a variety of heroes from Protestant history.

'They are ideal for families, churches, Sunday schools, Christian schools, and homeschoolers.' Dr Joel R. Beeke

'The exciting accounts of those who have shaped our Christian history are well told, and the accompanying activities will fix the story in the minds of young readers.' Brian H. Edwards

Why the PTS?

We are seeking to fulfil the Great Commission. The Great Commission is about proclaiming the gospel to all peoples, 'beginning at Jerusalem'. Throughout the world there are people who have never heard the glorious gospel, and there is an urgent need to go into all the world and preach the gospel to all peoples. But the UK is now by and large a pluralistic and secular society. This is our 'Jerusalem', and like the Jerusalem of Jesus' day it has been so privileged to have known the 'oracles' of God, yet our nation has rejected the gospel and the Christ of God.

But to this people we have the responsibility of making Christ and His gospel known, and to be 'salt and light' in a dark and godless society.

Beliefs

The PTS holds to the historic Christian faith set forth in Scripture and rediscovered at the Reformation.
